The Fake News is actually trying to convince the American People that I said I wanted to "terminate" the Constitution. This is simply more DISINFORMATION & LIES, just like RUSSIA, RUSSIA, RUSSIA, and all of their other HOAXES & SCAMS. What I said was that when there is "MASSIVE & WIDESPREAD FRAUD & DECEPTION," as has been irrefutably proven in the 2020 Presidential Election, steps must be immediately taken to RIGHT THE WRONG. Only FOOLS would disagree with that and accept STOLEN ELECTIONS. MAGA!

WE WANT PEOPLE WHO "LEGITIMATELY" WON THE ELECTION TO LEAD OUR COUNTRY. NOT PEOPLE WHO HAD TO CHEAT IN ORDER TO WIN!!!

1.55k 3.12k 8.35k

SIMPLY PUT, IF AN ELECTION IS IRREFUTABLY FRAUDULENT, IT SHOULD GO TO THE RIGHTFUL WINNER OR, AT A MINIMUM, BE REDONE. WHERE OPEN AND BLATANT FRAUD IS INVOLVED, THERE SHOULD BE NO TIME LIMIT FOR CHANGE!

President Biden is one of the oldest 79s in History, but by and of itself, he is not an old man. There are many people in their 80s, and even 90s, that are as good and sharp as Biden. Biden is not one of them, but it has little to do with his age. In actuality, life begins at 80!

TRUTH.

In Real Estate, like in Politics and in Life, LOCATION IS EVERYTHING!!!

This is what's happened to America in just two short years. No respect! However, a good time for our President to get to know the leaders of certain Third World countries. If I were president, they wouldn't have sat me back there—and our Country would be much different than it is right now!

Why is it that the Unselect Committee of Political Hacks refuses to investigate the fact that Crazy Nancy Pelosi rejected my strong recommendation, through the Secretary of Defense and others, of 10,000+ troops for Capitol Protection, three days before January 6th? The Chairman, together with Psycho Liz Cheney and Crying Adam Kinzinger, said it is "off limits, we will not investigate it," knowing full well that it is the essence of the ever continuing Witch Hunt—there is no January 6th...

...I she takes my recommendation and properly does her job! As everybody now knows, it is Nancy Pelosi and the Mayor of D.C. who are responsible for Security of the Capitol, not the President. Why is she not being accused? Did she want this to happen? By her lack of action, did she incite the doings of January 6th? Was she, in fact, hoping for a Real Insurrection (one where they actually brought guns) thinking it would be a wonderful thing...

"They knew they would throw every lie they could at me and my family and my loved ones. They knew they would stop at nothing to try to stop me. But I never knew as bad as it would be. I never knew it would be this vile, that it would be this bad, that it would be this vicious. Nevertheless, I take all of these slings and arrows gladly for you. I take them for our movement so that we can have our country back." President Trump
